We are a world-leading provider of sustainable productivity solutions. Customers benefit from our innovative compressors, vacuum solutions and air treatment systems, construction equipment, power tools and assembly systems.

Diamec 232 | Epiroc
The Diamec Smart 4 is compact and powerful for its size as well as easy to set up. Ideal for both underground and surface drilling, it can be equipped with a long or short feed frame and wire line equipment. The “push-equals-pull” feed cylinder also allows for maximum capacity for uphole and downhole drilling.

Atlas Copco Exploration Products Diamec™ core drilling rigs
The compact design of the Diamec 232 underground core drilling rig makes it ideal for core drilling in narrow tunnels or in galleries. The Diamec 232 is quick and easy to set up. It includes mechanized rod handling, a hinge-mounted rod holder, and a rugged rotation unit which all helps to provide flexible and efficient drilling.
