Mindset - YouTube

iTunes 12 brought a redesigned user interface, complete with many changes to how things look and where things are located, smaller text, and removal of the popular sidebar. Not all users have received these changes well and some aren't too thrilled with the differences, and for those who may wish to downgrade iTunes 12 back to the iTunes 11.4 version that they had before.

### August 2014 Calendar

The age is something one person is proud of, while another tries to hide it from everyone. Traditionally, the age of a person is connected to a person's life experience, values, and wisdom. It is a known fact that our age is measured chronologically, but not everyone is aware of how different cultures age is calculated in different ways. I.e., some nations define a person ...
