*SOLVED: 4M40 engine lacking power and blowing black smoke ...*

*4M40 for me. True the engine makes a more mechanical sewing machine sound but at the end of the day, it also makes ~26 more horses. I really cant compare the fuel consumption of both since hindi apples to apples comparison yung experience ko on both (had an MT 4D56 and of course my current AT 4M40), but if we did, the 4M40 with AT is 1 km/L thirstier than the 4D56 with MT.*
