Author Asia Citro doesn't want to see that happen to future generations. Her book, A Little Bit of Dirt (public library), contains over 50 science and art activities designed to get parents and children outside and immersed in nature. The goal, she says, is to "find inspiration to get outside with your family, strengthen your connection with and understanding of nature, and experience the benefits of regular outdoor time."

A Little Bit of Dirt : Asia Citro : 9781943147045  
Those who grow up in extremely clean homes are more likely to develop asthma and hay fever than those who grow up on farms or in houses with a little bit of dirt. Individuals who are raised with pets, or who have older siblings, are less likely to develop allergies, possibly because they are exposed to more bacteria.
