In A Peace to End All Peace, David Fromkin reveals how and why the Allies drew lines on an empty map that remade the geography and politics of the Middle East. Focusing on the formative years of 1914 to 1922, when all seemed possible, he delivers in this sweeping and magisterial book the definitive account of this defining time, showing how the choices narrowed and the Middle East began along a road that led to the conflicts and confusion that continue to this day.

A Peace to End All Peace - The Friday Times

As David Fromkin points out in A Peace to End All Peace, such an assumption is displaced from reality. The system of states as we know it in the Middle East (a term only invented in 1902) (224), was crafted by Europeans around 1922 as a way to grab new expansions to their empire, to carve up the fallen Ottoman Empire and establish influence as they had done with other countries after previous wars.

A Peace to End All Peace: The Fall of the Ottoman Empire ...

A Peace to End All Peace is about the fall of the Ottoman Empire and how its collapse contributed to the development of the modern Middle East. When the Allies were ensconced in World War II, and Turkey allied itself, almost by accident, with Germany, the Allies began making deals amongst themselves, over who was going to get what bits of the Ottoman Empire when the war was over.
