The Secret History Review (And Why I Hated Reading It)

The first paragraph of The Secret History roughly sums up the mood of the book. In it, the narrator, Richard Papen, says that he thinks his fatal flaw is 'a morbid longing for the picturesque at all costs'. If you can relate to these words, chances are you'll love The Secret History. If not, you'll probably wonder what the fuss is all about.

ACID | The History & Truth of LSD

I've found myself in this situation (never quite as dire as my utter turnabout with The Secret History) quite a few times now, usually with books I just didn't get. That is, I could see the merit, but not why it meant so much; or I enjoyed the book on a surface level but didn't really see the merit in it.
