As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format.

Advanced Calculus Dover Books On Mathematics | Download ...

This 1971 book by Avner Friedman presents the calculus which every mathematics student should learn in the first 2 years of University. The theorems are very precisely stated and proved in detail, but there is also strong emphasis on computations for explicit functions.

Advanced Calculus - Dover
Avner Friedman (Hebrew: אבנר פרידמן; born November 19, 1932) is Distinguished Professor of Mathematics and Physical Sciences at Ohio State University. His primary field of research is partial differential equations, with interests in stochastic processes, mathematical modeling, free boundary problems, and control theory.

Advanced Calculus by Avner Friedman - Books on Google Play
Advanced Calculus Avner Friedman Intended for students who have already completed a one-year course in elementary calculus, this rigorous two-part treatment advances from functions of one variable to those of several variables.

Advanced calculus book by Avner Friedman
I take Friedman as an example of this school - a good example. I am a mathematics professor at a small Liberal Arts college and regularly teach "Advanced Calculus" using textbooks similar in content to Part One of Friedman's book (limits, continuity, differentiation, integration, sequences and series).
