Amarcord (1972) | BFI

Federico Fellini's Amarcord has often been linked with Ingmar Bergman's Fanny and Alexander as films made by old men looking back on their youth. While this is true, Amarcord has a loose narrative structure in which the lives of many characters are detailed in comic vignettes, whereas Fanny and Alexander is a straightforward drama. In fact, Amarcord shares a deeper affinity with another ...

Amarcord — Wikipédia

If ever there was a movie made entirely out of nostalgia and joy, by a filmmaker at the heedless height of his powers, that movie is Federico Fellini's "Amarcord." The title means "I remember" in the dialect of Rimini, the seaside town of his youth, but these are memories of memories, transformed by affection and fantasy and much improved in the telling.
