Space Marines | Warhammer 40k | Fandom

Space Marines are generally regarded as having something of an "unfair advantage" in the tabletop, mainly because every young 40k player has a strong liking for them, and almost every unit in the listings has at least a 3+ armor save, making them rather hard to kill, especially when considering armies such as the Blood Angels have models that allow players to roll an additional "Feel No Pain ...

New 40K Rules - Angels of Death REVIEW - Ball of Lost Souls

The worlds that the Space Marines recruit from often have a wide range of legends regarding the Adeptus Astartes. As many of the communities in question are primitive or barbaric, the people regard the Space Marines as otherworldly figures, "angels of death" who arrive once in a generation to test them and carry away their strongest sons.
