County Community College Selden, New York 11784) Background and Introduction: After a casual survey of the evening sky it is apparent that all stars do not appear equally bright. From earth it is possible to view about 5000 stars with the ...

Astronomy Through Practical Investigations Lab Answers 9
We were frustrated by the lack of suitable materials for teaching the lab component of the course. We decided that we could write more appropriate materials for our students rather than wait for the large publishers to produce them. With that motivation we created Astronomy Through Practical Investigations (ATPI). We tried to get publishers to ...
