Turkey: Stefan Lustig becomes Anadolu Efes ... - inside.beer

The name Efes has been synonymous with beer in Turkey since their Pilsener hit the scene in 1969. Made with malts produced in Efes's own malteries, this brew presents a quintessential German-style pilsner appearance in the glass: pure golden in color with nice clarity, capped by a bright white head of foam that drops some lace as it recedes.

Anadolu Grubu

One and a half years after his dismissal in Munich, Stefan Lustig, long-standing Chief Technology Officer of Paulaner Brauerei Gruppe, one of the largest German brewery groups in which Heineken holds a 30 percent stake, has taken over the position of Supply Chain Director at the Turkish beverage giant Anadolu Efes.In Istanbul, Turkey, he will also become a "Member of the Executive Management".
