The history of early food regulation in the United States started with the 1906 Pure Food and Drug Act, when the United States federal government began to intervene in the food and drug businesses. When that bill proved ineffective, the administration of President Franklin D. Roosevelt revised it into the Federal Food, Drug and Cosmetic Act of 1937. . This has set the stage for further ...

Behind the Mask - Just Between Us

Stigma breaking takes not hiding behind the mask of "normal". Mental health awareness is comprised of many things, including educating ourselves and the public about the realities of living with a mental illness. But it requires more than that.
