'Being Mortal: Illness, Medicine and What Matters in the ...

It is not just medicine that is needed in one's declining years, but life -a life with meaning, a life as rich and full as possible under the circumstances. Being Mortal is not only wise and deeply moving; it is an essential and insightful book for our times, as one would expect from Atul Gawande, one of our finest physician writers.

Being Mortal: Medicine and What Matters in the End by Atul ...

Being Mortal is not only wise and deeply moving, it is an essential and insightful book for our times, as one would expect from Atul Gawande, one of our finest physician writers." – Oliver Sacks
"American medicine, Being Mortal reminds us, has prepared itself for life but not for death.

Being Mortal: Illness, Medicine and What Matters in the ...

"Being Mortal" is written from the perspective of a physician, who understands the nature of illness and the difficulties in communicating with those most affected by terminal diseases (both the individual him- or herself and the family).

Being Mortal Illness Medicine And

Being Mortal's main focus is on how medicine and medical care has maybe skewed our perception on what it means to live. Does the quality of the life we have at the end often get overshadowed by a focus of extending our life -- even if this extension comes at the cost of stripping our final days of everything that gives meaning to
