bloodjournal.org Blood Bound is darker and more emotional than Moon Called. It shows us the true and evil dark side of the Vampires. It also shows us the vulnerable side of the Wolves, the slyness of a strong, capable Coyote and lots of courage and loyalty. I love books that feel real and Blood Bound is exactly that.

General Clinical Pharmacology Considerations for Neonatal ... Blood Bound Books regularly posts submissions calls here for both horror fiction, horror anthologies, or other projects as they arise.
