Okk- I decided to replay the old Bats game- again. When I try to follow the blood trail- firstly, when I selected mission, it didn't show me where to return- although, Mission itself shows some % complete- and secondly, when I DO find and follow it (thx to the large Map) - it (the Trail) stops at the top of Church of some sort, and I dunno where to go next, nothing Happens.

Shadow war blood trail glitch - Batman: Arkham Knight

Blood pleurodesis has been used to treat pneumothorax and persistent postoperative air leak following pneumonectomy. However, the indications for this procedure and the exact technique to be followed remain poorly defined. Having reviewed the current literature, a protocol is proposed for the technique and its complications and long-term outcomes are discussed.
