Bring Back the Bureaucrats - Templeton Press

In Bring Back the Bureaucrats, John J. Dilulio Jr., one of America's most respected political scientists and an adviser to presidents in both parties, summons the facts and statistics to show America's big government actually works and why reforms that include adding a million more workers to the federal workforce by 2035 might actually help to slow government's growth

The Government Reform Series: Leviathan by Proxy and the ...

What Bureaucrats Do . Government bureaucrats perform a wide variety of tasks. We often think of bureaucrats as paper-pushing desk clerks, but bureaucrats fight fires, teach, and monitor how candidates raise money, among other activities. The job of a bureaucrat is to implement government policy, to take the laws and decisions made by ...

Bring Back The Bureaucrats

In Bring Back the Bureaucrats, John J. Dilulio Jr., one of America's most respected political scientists and an adviser to presidents in both parties, summons the facts and statistics to show America's big government actually works and why reforms that include adding a million more workers to the federal workforce by 2035 might actually help to slow government's growth while improving performance.

Bring Back the Bureaucrats : Why More Federal Workers Will ...

John Dilulio's Bring Back the Bureaucrats (Templeton Press) is an eye-opening account of the hollowing out of American government. Dilulio, an expert on public administration at the University of Pennsylvania, points out that the US has fewer full-time federal officials than it did in 1960, but the amount of money they dispense has increased fivefold.
