Brother Mfc 440cn Manual
Brother Cartridge Tips Toner vs Drum Unit: Most Brother laser printers use toner cartridges instead of a drum unit. The toner cartridge is the container that holds the actual toner powder which the drum unit is what transfers that powder onto paper to create the actual printouts.

Brother Ink Cartridges and Toner - InkCartridges
I've been using this Brother MFC for some time and I've been quite happy with it. About a year ago I noticed that colour images would only print black and white. My settings are to full colour. The ink cartridges are full and in good condition according to the ink refill place. Not sure what else is
