The third and last time we read "Bunny's Noisy Book" it for pure enjoyment. The kiddos read along with me and we look for the McCue ladybug hidden throughout the book. Do you re-read books often in your classroom? How about the use of story boards? I would love to hear your ideas and comments! Happy Teaching!

Bunny's Noisy Book by Margaret Wise Brown
Bunny's Noisy Book. This book has become my children's favorite nighttime reading. They love to sit with me and see the pictures, and hear all the sounds the Bunny is discovering. They anticipate each page before it's turned. We've read it so much, they know it by heart and read the story to me.
