The originality of the study lies in its association of two widely different approaches: the theory of decision-making in large organizations and the cultural analysis of social patterns of action.

The Bureaucratic Phenomenon by Michel Crozier

This chapter examines Michel Crozier's *The Bureaucratic Phenomenon*, an in-depth study of public administration in France in which he challenged the view that overemphasizes the formal and rational organizational structure of bureaucracy. Crozier developed a relational theory of power and a systematic program that explored bureaucracy as an "organizational system."

Michel Crozier, The Bureaucratic Phenomenon - Oxford Handbooks

In The Bureaucratic Phenomenon Michel Crozier demonstrates that bureaucratic institutions need to be understood in terms of the cultural context in which they operate. The originality of the study lies in its association of two widely different approaches: the theory of decision-making in large organizations and the cultural analysis of social patterns of action.

The Bureaucratic Phenomenon: Amazon.co.uk: Crozier, Michel ... Crozier gives the example of the concours (competitive examinations) which mean that, once the exams are passed, promotion becomes simply a matter of seniority and avoiding damaging conflicts. The result, he argues, is that hierarchical relationships decline in importance or disappear completely which means that higher levels in the bureaucracy have effectively lost the power to govern the lower ...
