

*Diagnosis of cardiac amyloidosis: a systematic review on ...*

*Ted de Corsia, Actor: 20,000 Leagues Under the Sea. A big, brawny villain of many 1940s and 1950s films, Ted de Corsia was an actor in touring companies and on radio before making a memorable film debut as the killer in The Lady from Shanghai (1947). Although he occasionally played such sympathetic roles as a judge or prison warden, de Corsia's imposing size, tough New York street demeanor ...*

*In cell biology, the nucleus (pl. nuclei; from Latin nucleus or nucleus, meaning kernel or seed) is a membrane-bound organelle found in eukaryotic cells. Eukaryotes usually have a single nucleus, but a few cell types, such as mammalian red blood cells, have no nuclei, and a few others including osteoclasts have many.. The cell nucleus contains all of the cell's genome, except for a small ...*

*Ted de Corsia - IMDb*

*ABSTRACT Cardiac amyloidosis (CA), once thought to be a rare disease, is increasingly recognized due to enhanced clinical awareness and better diagnostic imaging. CA is becoming of heightened interest to the cardiology community given more effective treatment strategies for light chain amyloidosis (AL), as well as emerging therapies for transthyretin amyloidosis (ATTR).*
