For more information on extending oil change intervals, consult your Caterpillar dealer. If no S-O-S Oil Analysis results are available, the Oil Change Interval Graph can be used to determine oil change intervals. Graph Instructions: 1. Determine the engine ' s oil capacity. This includes the oil sump capacity and the oil filter(s) capacity ...

Why The Change In C7 Oil Capacity

The C7 engine has 2 different oil pan options. One is the shallow pan and the refill capacity for it is 19 quarts including installing a dry oil filter. The other is a deep pan and it takes 27 quarts including installing a dry oil filter. As far as the fuel filters, most C7 engines do not have a hand primer pump.

Tier 4 Interim or Tier 4 Final, Stage IIIB or Stage IV engines require Ultra Low Sulfur Diesel (ULSD) fuel containing a maximum of 15 ppm sulfur, and new oil formulations to support the new technology. Cat ® engines are designed to accommodate B20 biofuel. Your Cat dealer can provide more information regarding fuel and oil.

Cat Commercial Diesel Engine Fluids Recommendations

C7 Engine Oil Level Change By Rudy Morris Effective March 1, 2005 all C7 engines leaving the Greenville, SC plant have a new oil pan capacity of 19 Qts. instead of 22 Qts. for C7 RV applications with a shallow sump. This change was brought about after a number of customers were having oil blow-by problems on their towed cars.

How To Perform A Professional Cat Diesel Engine Service. Cat Engine Oil Change.

Those are for off road and stationary engines. However Jaugston is correct that a lower interval is a better practice. The C7 uses the infamous HEUI system and dirty oil will kill it!! Remember this is one of Cat's worst ever powerplants. I cannot provide a direct link to the document but do as follows: Google: "Caterpillar LEHT9288-06 (6-07)".

### 3116 and 3126 HEUI Truck Engines Engine Oil and Oil Filter ...

Best to read the Cat engine manual to determine oil type, API rating and change interval. My coach owner's manual (includes chassis) specs less time between oil changes than the Cat owner's manual. Oil for diesel engines has a different API rating than gas engines although both ratings are often on the same oil.
