Dark Lover (Black Dagger Brotherhood, #1) by J.R. Ward

Composition of sage oil. There are several varieties of sage oil, depending on certain factors like geographical location, climate, part of the plant used and method of extraction. 8 A predominant component of all types is thujone (about 22 to 61 percent). 9 Thujone has been a subject of debate among many experts because of its negative effect on the nervous system.

Wilson told The Hollywood Reporter how he wrote this song in 20 minutes: "My bandmates were tired of ending our sets with the same song, so there was kind of an uprising where they demanded something different to end our nights with. So I thought, 'OK, I'll write a song to close out the set,' and then boom, I wrote 'Closing Time' really fast. There was one little adjustment later, which I ...
