You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

4 Ways to Cite a Newspaper Article - wikiHow

The paper by Bugjuice (1970) is short, and if readers want to find the referenced information, they would not have as much trouble. For two author papers, give both authors' last names (e.g., Click and Clack 1974). Articles with more than two authors are cited by the first authors last name followed "and others" or "et al.", and then the year.
