Diana Norman - Wikipedia

City of Shadows: Ariana Franklin City of Shadows is set mostly in Berlin, starting in 1922 and then picks up the story again in 1932. I find Germany in the years between World War I and World War II a depressing place to read about, and this book doesn't gloss over any of the horrors of that time, but I learned a lot and the story was told beautifully.

Ariana Franklin's City of Shadows is a gripping story, based on fact. The writing is taut, the storyline is fascinating and the tension is perfect (building slowing but surely to a surprising end). I felt as if I had been transported to the Berlin of the 1920s and 1930s. City of Shadows is a magnificent novel.
