Brief Summary of Clean Language - WordPress.com

Clean Language was originally devised by a chap named David Grove who unfortunately died a couple of years ago, and it was modelled out, it was systematised, with the help of two of my friends ...

Clean Language Revealing Metaphors And

Clean Language is an approach to soliciting information and facilitating discussion that recognises this central role of metaphors, helps us spot metaphors in other people's thoughts and our own ideas and makes those connections explicit.

Clean language : revealing metaphors and opening minds ...

Clean Language (Clean, for short) allows access to the deepest levels of people s communications so that the real issues are revealed early and real helping strategies can be created to meet them. When the client is invited to find the solution, then time isn't wasted in the vain attempts to convince, cajole, or coerce.

Clean Language - BusinessBalls.com

Clean Language is an approach to soliciting information and facilitating discussion that recognises this central role of metaphors, helps us spot metaphors in other people's thoughts and our own ideas and makes those connections explicit. The premise of Clean Language is that such concious analysis of metaphors helps understand other people better.

www.cleanlanguage.co.uk

Clean Language uses the casual metaphors that occur naturally in speech to reveal the hidden depths of our thought processes. Clean Language brings thoughts we have not been conscious of into our awareness, where they can be shared and enjoyed - and understood. Metaphors are doors to deeper understanding - of self and others.
