Problem Solving Rubric! - Wickersham Elementary

The bigger problem is the role the Common Core State Standards (CCSS) are playing in the larger dynamics of current school reform and education politics. Today everything about the Common Core, even the brand name—the Common Core State Standards—is contested because these standards were created as an instrument of contested policy.

Most of the rubrics in the SFUSD Math Core Curriculum are 4-point holistic rubrics. A rubric is often used in conjunction with an answer key. The rubric provides a broader picture about a student's demonstration of understanding the standards and mathematical practices, and the answer key provides specific examples of how a student might answer parts of the task.
