Courage Is Contagious No matter how many times we hear of one person's act of conscience igniting sparks that light up the sky, too many of us hold tight to the notion that our own acts don't mean much. Aren't we the proverbial drops in the bucket, nice but never spectacular?

### **The Courage.Us**

However, to accept this is to undermine one of the crucial roles that physicians play in society: advocating for their patients, no matter how unpopular, repressed, or persecuted they may be. I might have been among the first people to call attention to this particular issue, but I found quickly that courage is contagious
