Eisenhower's 'Crusade in Europe', is one of the best primary texts I've read. This isn't a book frozen in time. Neither is it a book written by a Victor for victors. At the close of the war in Europe, Eisenhower commanded the greatest military coalition ever assembled. Yet, the book is void of conceit or concern for self-promotion....

And the Eighth Crusade took place in 1270. There were also smaller Crusades against dissident Christian sects within Europe, including the Albigensian Crusade (1209–29). The so-called People's Crusade occurred in response to Pope Urban II's call for the First Crusade, and the Children's Crusade took place in 1212.

Crusade in Europe - Wikipedia

I found "Crusade in Europe" interesting and educational not so much as a study of the European Theater of World War II, (many books have been written on that subject), for as a study of leadership and the art of cooperation between allies toward a great objective. The final chapter in this book is worth reading all by itself.
