Volvo Penta's New Diesel Engines | Marlin Magazine

D13, a relatively new model, when was it registered, is it under a five year extended warranty? On a new engine I would go for Volvo Penta's own engine oil and coolant and to save a bit you can get oil or coolant in 205litre drums as well as cans. That way fully accepted lube and coolant spec in case of a problem especially under warranty.

D13 launch | Volvo Penta
