Darkfall Unholy Wars

Darkfall was a massively multiplayer online role-playing game (MMORPG) developed by Aventurine SA that combined real-time action and strategy in a fantasy setting. The game featured unrestricted PvP, full looting, a large, dynamic game world, and a player-skill dependent combat system free of the class and level systems that typify most MMORPGs. Darkfall had a 3D world environment and contained mild violence. The official Darkfall servers were closed on 15 November 2012. Aventurine has since ...
