I am looking for law or regulation references to support or refute the position that you can conduct a competitive acquisition, and as part of the RFP establish a requirement that all offerors must propose and the successful offeror must use a directed source for a particular aspect of the acquisition (i.e. a directed sub); and in such a situation no J&A is needed.

Jesus Christ: Source of Our Salvation Resources | Ave ...

Patrick Mathern. The logic here is that since the CO directed the source, the Prime has no option and therefore has to purchase at the offeror's price. I wholeheartedly disagree with this - source direction has nothing to do with price reasonableness.

When introducing source material, avoid using a weak lead-in verb, e.g., “ the author says ” ; instead, select a verb that conveys the author's attitude toward the material, e.g., “ the author questions. ” Aim to integrate source material into your own argument; explain to your reader how the source material contributes to your analysis. Be sure to smoothly integrate the quotation into the surrounding language, matching the syntax of the quotation to the syntax of the surrounding statement.
