materials such as ivory and ebony, have been discovered in tombs throughout Egypt.

Ancient Egypt Sports - AskAladdin

The development of board games is an inevitable part of human history. The earliest known example - the senet of the Egyptians - is being played by 3000 BC and is still popular in a recognizable form in Egypt 5000 years later. Beautifully made boards for senet and other such games (with built-in drawers for the pieces) survive from Egyptian tombs.
