The Electric Shaver Buying Guide | Download Now!

This list makes sense if you think about it. 3 of the shavers are models which get great reviews and are priced really well. The other 2 (SensoTouch 3D and Braun Series 7) are probably the most popular models on the market.

Best Electric Shaver Reviews - ShaverGuides

Electric shavers work on a totally different principle. Foil-based systems use one or more cutting blocks mounted beneath the thin metal head. The foil's perforations guide the whiskers into the block, where a pair of opposing blades slice them off. The action is more like what you'd get from a pair of scissors than from a knife.
