What are the Top Five Journals in Economics? A New Meta ...
Before, I shared some thoughts for improving academic journals. One of my complaints is about how long it takes. So, I decided to make a new ranking based on how long journals take to respond using ejmr data (among the top 50 journals ranked by citations, discounted recursive, last 10 years, although taken from last month). In the table below, # is the journals rank by citations, and then ...
