Feedback begins with the towering promise left by Variant. How well it lives up to that promise and answers the numerous questions from the first book is largely up to how succinctly you like your stories wrapped up. I loved it. And I'd love to see more of this world, particularly as the fallout from this book spreads.

Man ist also wieder sofort mitten im Geschehen und erhält auch schon wenig später direkt die ersten langersehnten Antworten einige drängende Fragen.

Feedback Variant 2 Robison Wells

After the killer cliffhanger at the end of Robison Wells VARIANT, I've been super anxious for the sequel, so you can imagine how thrilled I was to get my hands on an ARC.
