Francette Phal (Author of Monster) - Goodreads

Flawed (2014) review 1: This book is so raw. So filthy. So incredibly disturbing that I need to scrub my eyeballs of the images Ms. Phal's words have embedded in my mind. But I won't, this book is so good, the characters so perfectly written that I would never do that. I cannot recommend this book to everyone because it is not for all to consume.

Flawed Francette Phal

Flawed is a great ride. There are twists and turns and Phal is a great writer. Lacey's sudden attachment and the depth of that attachment is a little opaque in reasoning, but I give it a handwave because of the 1st person narration. And that's the last thing that might have been off-putting but that mostly isn't.

Books | Francette Phal

Flawed (2014) About book: DNF @ Pg 211 of 246. I just can't force myself to finish this. When I read a 'dark' book I like there to be a bit of romance - female eventually falls for her captor or she likes what he does to her, but my favourite thing in a captive-captor book is when the captor no longer sees the captive as just that, he starts falling for her too. With Flawed, it was just straight ...

Stain - Kindle edition by Francette Phal. Literature ...

Francette Phal is quickly becoming the queen of dark, how she manages to dream up these Flawed characters is beyond me. It is sick, it is twisted, but like a moth to a flame I could not stop reading. It did get way out of my comfort zone in places but could I stop reading...NO!

Books by Francette Phal (Author of Monster)

Writing both books was a journey that I'm glad I was able to take. It was difficult putting these two characters through all that but in the end I wanted them to have their happiness. Nicholas and Ellie are both very flawed, but that's what makes them great for each other.

Carnage (The Butcher, #2) by Francette Phal

If they are lucky, they are sold into the professional hands of another Master. If something is plausible, it's reasonable or believable. Giving a deceptive impression of truth and reliability at such an early age is certain to cause you to believe what isn't real.
