I notice that you rate Jandy highly from other posts but I know a couple of people who complain that they keep freezing up below 10 degrees C. Apparently, Focus Temp doesn't have this problem as the compressor shuts down when it's too cold and the fan keeps running which prevents the ice (a salesman told me this so not sure how true it is).

Service Manual 2010 - Splash And Relax Pikes Peak Regional Building Code. New codes are promulgated approximately every three years. The past ten years have seen a drastic change in model building codes in the United States.
