We've gone wireless so you can use your favorite off-the-shelf handle and tow rope. A "clamshell" with the controls clamps on to the center of your favorite handle and communicates to a small device the size of a matchbook that's embedded in our custom life vest/personal flotation device. The device communicates to the boat wirelessly.

State-Approved Online Boating License Courses | Boat-ed.com®

Every day across the US someone gives up on their dream of getting that boat back on the water and they list their sailboat or powerboat for free. Many times they have come across a new sailboat or powerboat and now they just want the old one gone. Their next stop could be a landfill. We scour the web for these deals and present them here.
