How Good Are Your Coaching Skills? - Team Management ...

The coach is not a subject expert, but rather is focused on helping the individual to unlock their own potential. The focus is very much on the individual and what is inside their head. A coach is not necessarily a designated individual: anyone can take a coaching approach with others, whether peers, subordinates or superiors.

Further Techniques for Coaching and Mentoring - David ...

The first is with an external coach who is not part of the organisation or line management structure in any way. The second is an internal coaching relationship, where a manager or leader acts as a coach for their team. The two require different ways of working as coach, although they share some similarities.
