Expugnatio Hibernica: the Conquest of Ireland by Gerald of ...

The works of Giraldu dealing especially with Ireland: the "Topography", and "History of the Conquest", though long regarded as possessing considerable authority, did not escape hostile criticism. In "Cambrensis Eversus" (1662), under the pseudonym of Gratianus Lucius, Dr. Lynch, of whose personal history little is known, produced a work which, though controversial in character, entitles the author to repute rather as a painstaking chronicler than as a controversialist of a high order.
