Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Beneficiaries - Regulation Body of Knowledge

This article focuses on the economic regulation of infrastructure industries such as electricity, telecommunications, and water and, in particular, on the evaluation of outcomes, rather than regulatory procedural processes. Furthermore, it discusses the evaluation methods in detail. It also discusses alternative methods that have been used in recent years to evaluate regulatory agencies ...
