LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

(Hindi) Complete Course of English:Bank PO | Unacademy

This would be an excellent course should one want to travel to India. Our family just wants to converse with Hindi-Speakers, locally and much of the Course was 'extra'. We've discovered that much of the language in this book is what 'Grandma' uses - and modern Hindi speakers have laughed a little at us for using some of the outdated phrases.
