*His Kidnapper's Shoes - MAGGIE JAMES FICTION  
His Kidnapper's Shoes is unlike any  
psychological thriller that I have read this  
year in that whilst others use similar  
narrative skill to 'force' a stance from the  
reader, what is achieved here is a complete  
questioning of the system by which we judge  
the lives of others, so that by the novel's  
close we feel both alienated from the  
situation and yet, extraordinarily, somehow

*His Kidnapper's Shoes* - Kindle edition by Maggie James ...

Definitely a darker and even cringe-inducing read, but "*His Kidnapper's Shoes*" was a good psychological drama that kept me hooked until the very last page. And while not a fast-paced crime thriller, it does take the time to get into the psyche of both the kidnapper and the victim, and will stay with me for a long time. Recommended.
