### Hp Cp4525 Transfer Kit Reset

I have a HP LaserJet Cp4525 that needed to have its Transfer kit replaced and when I replaced it, it still states that the transfer kit needs to be replaced. When the fuser was replaced on this unit, it automatically reset the count, but did not do so for the transfer kit.

hp lj cp4524 tranfare belt replacement reset not working ...

The above info from Moe and dmz worked a treat as I have intraded a CP4525 which has a new transfer belt but was still asking to replace so that problem fixed great, thanks!! however the machine looks as if it has had a a new fuser recently installed as it is immaculate but again machine is asking to replace fuser kit.
