US edition of a textbook vs International Edition (teacher ...

The only things that I've seen is that the only big difference are what are on the front and back covers of international editions. They look different and, sometimes, some textbooks transfer one or two pages to either in the front or the back of the book as oppose to US editions. I bought a lot of international editions.

International Textbook VS Us version — College Confidential

International editions usually take longer to ship as well since they are well--international. If you need a textbook FAST, it is usually worth the extra \$\$\$ for the local version.

International Textbooks Vs Us Editions

Different Cover. The main difference between the U.S. version and the international version of a textbook is the cover. Many U.S. textbooks have a hard cover, known as casebound, while the international version has a soft cover.

Buying International Edition Textbooks

The US Supreme Court ruled that it is legal to buy and sell international editions of textbooks. As for the ethics, it clearly goes against the wishes of the publisher, so one might conclude that despite being legal that it is unethical.

What To Know About International Edition Textbooks ...

International Edition textbooks have the same pagination and contents as the US Edition. All units, page numbers, and problem sets are guaranteed to be the same, or your money back. In some cases, the book is exactly identical in all respects to the US Edition, except for the word "International" printed on the cover.

The Differences Between U.S. and International Textbooks ...

While international edition textbooks are very similar to their US published counterparts, there is potential for some difference. These differences are most common in the printing process. Even with potential differences, these textbooks are still great resources for you.

Difference between International edition of a book and a ...

My international version textbooks for cse 20,21, and 140 were the exact same as the US version. The only difference was that the international cover had a border surrounding the cover face. If you're taking the physics 2 series, the "ucsd custom edition" is completely unnecessary.
