Manage who can create Microsoft 365 Groups | Microsoft Docs

A creator deity or creator god (often called the Creator) is a deity or god responsible for the creation of the Earth, world, and universe in human religion and mythology. In monotheism, the single God is often also the creator. A number of monolatristic traditions separate a secondary creator from a primary transcendent being, identified as a primary creator.

Who created God? Who made God? Where did God come from ...

There are spiritual drivers behind some of these positions. For atheism to be true, there must be an alternate explanation—other than a Creator—for how the universe and life came into existence. Although belief in some form of evolution predates Charles Darwin, he was the first to develop a plausible, natural source for the process of evolution: natural selection.

What does the Bible say about creation vs. evolution ...

Without the dimension of time, there is no cause and effect, and all things that could exist in such a realm would have no need of being caused, but would have always existed. Therefore, God has no need of being created, but, in fact, created the time dimension of our universe specifically for a reason - so that cause and effect would exist for us .

Is There A Creator Who Cares About You

But things do exist. Therefore, since there could never have been absolutely nothing, something had to have always been in existence. That ever-existing thing is what we call God. God is the uncaused Being that caused everything else to come into existence. God is the uncreated Creator who created the universe and everything in it.
