In my practice, I engage with my clients to work through a process of self-actualization that allows them to connect with the understanding and realization that "It was ME all along," or for them to take what I call responsibility for their decisions.

It Was Me All Along

It Was Me All Along is the memoir of a girl who grew up eating as much as she wanted, without any supervision. Her family – especially her mother – provided her with plenty of junk food. I was eager to read this memoir, believing it might show some insight into a lasting plan for weight loss; instead, I was bombarded with a disgusting description of a junk food diet, alcoholism, abuse, and ...
