Free ebook download sites: – They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Justinian's Flea : The First Great Plague  
and the End of ...

\_Justinian's Flea: Plague, Empire, and the  
Birth of Europe\_ (Viking) is a strange  
book in many ways. It is not written by an  
academic with long publishing credentials  
behind him. William Rosen has publishing  
credentials, but they are in the business of  
publishing, where he has been a senior  
executive.
