How to buy a camera in 2018 | Engadget

The mirrorless camera, formerly known as a compact system camera, is a hybrid between full-function DSLR cameras and convenient point-and-shoot cameras. Mirrorless cameras are typically smaller and lighter than most DSLRs, since they omit the optical viewfinder and mirror box, but offer a broader array of features and functions than point-and-shoot cameras.

Buying guides Archives - Kim Komando

Eric Kim is one of the most prolific street photographers around, but he's also a keen blogger. In this article, originally posted on his site in the spring, he offers some advice on how to buy a new camera for street photography. Rather than a simple buyers' guide, though, Kim delves into the psychology of purchase decisions, citing research by psychologist Barry Schwartz which divides us into two types of buyers.

How to buy a camera - CNET
