The Changing Cardiovascular Landscape - University of ...

The Way of the Heart is a landscape, rich in texture, colour and diversity, just like the landscapes of our Earth. It is not a singular, mono-directional path, because taking the heart path is all about you choosing, rather than following an already well-formed track. That is the hallmark of heart consciousness: personal choice. That is how heart consciousness manifests within your personal ...

Landscapes of the Heart | South Asian Women Blog

Landscapes of the Heart begins with "The Beauty We Love," a wonderful piano and cello (Eugene Friesen) duet that is warm, uplifting, and very expressive - definitely a favorite! "When the Silence Speaks" is the first of the piano solos and reminds me of some of the Mozart and Haydn pieces I learned as a piano student.
